ABOUT ME

Narrative Design student at DBGA Milano. I create immersive worlds through dialogue systems, character writing, and worldbuilding documentation. I treat story structure as a core game design tool, not an afterthought.

EDUCATION

2025-2027

Digital Bros Game Academy, Milan

Game Design Specialisation Course

- Narrative design, dialogue systems and worldbuilding • Level design and spatial storytelling • Sound design and audio implementation

2023-2025

Università Statale di Milano

Major in Computer Science

- Formal logic and systems thinking • Software architecture and development fundamentals • Structured problem decomposition

2022-2023

Fondazione ETLABORA, Bergamo

FTS certification in Web & App Development

- Front-end and back-end development basics • UI/UX fundamentals • HTML, CSS, JavaScript

LANGUAGES

Italian - Native
Arabic - Native
English - C1 (IELTS)

WORKING EXPERIENCE

2023-2024 **Genchi Genbutsu · Bergamo, Italy**

Junior Software Developer & QA Tester

- Development and testing of a web platform in the legal sector
- Java programming, debugging, and systematic quality assurance
- Bug tracking and software reliability improvement

PROJECTS

20/2026 **Dream Jumper**

First-person liminal horror walking simulator

- Authored the full narrative design
- Level design documents, pitch and visual direction
- Currently in active development with a small team

07/2026 **Dodgy Depot**

Retrofuturistic job simulation game

- Full ownership of narrative and audio
- 30+ characters with complete dialogue arcs
- Invented in-world slang, five-day email narrative and sound direction

10/2026 **COW-ming Back**

5-day game jam shoot 'em up

- Concept, animated backgrounds and original soundtrack
- AI visual direction for a team with no dedicated artist
- Completed and playable

SKILLS

Development • Unity • Ink / Yarn Spinner
Design • Canva • Google Workspace • Miro
Workflow • Jira • Trello • Notion

- Soft Skills
- • Multidisciplinary Collaboration • Narrative Problem Solving • Work Under Pressure • Team Communication • Adaptability

HOBBIES & INTERESTS

- Ten years playing trumpet (sight-reading, jazz, and cosmic funk)
- Passionate about weird fiction (Lovecraft, Arthur Machen...)
- Strong interest in environmental storytelling (Bloodborne as a masterpiece)
- Cosplay, retrogaming, and deep lore of animated series
